THE CHORISTERS.
There's a little band of singers
Every evening comes and lingers
Neath the windows of my cottage, in the trees;
And with dark they raise their voices,
While the gathering night rejoices,
And the leaves join in the chorus with the breeze,
Then the twinkling stars come out
To enjoy the merry rout,
And the squirrels range themselves upon a log;
And the firefly's furnish light,
That they read their notes aright—
The katydid, the cricket and the frog.
All the night I hear them singing;
Through my head their tunes are ringing—
Strains of music straight from Mother Nature's
heart;
Now the katydid and cricket,
From the deep of yonder thicket;
Then the croaking frog off yonder drones his
part.
By and by the moon appears,
As the midnight hour nears,
And smiles dispel the lowering mist and fog;
Then the mirth is at its height,
And they glorify the night—
The katydid, the cricket and the frog.

TRUE AS GOSPEL!

What the "Outlying Territory" Says to Maysville Capitalists.

The trouble with Maysville people is that too many of her business men think the people of the outlying territory have to come there and do their trading, regardless of inconveniences and expenses or better inducements offered by other towns. But they don't. Maysville will have to get a hustle on herself, and that p. d. q.; or take a back seat. This is a progressive age, and the people who do not keep up with the procession will get ingloriously left.

Beware of Ointments For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c. per bottle. Hall's Family Pills are the best.

MASON'S DOCTORS.
Home From Sardis and Responded
to Roll Call!

And this was something to do after a day of
Dr. and Mrs. O. H. Adamson's hospitality to
visiting members of the Mason County Medical
Society. At a recent meeting, Dr. Ellis was
given carte blanche to arrange with Dr. Adam-
son for this occasion. Their names will go
down—if they ever do—linked in pleasing
and grateful memories. The Society has been
many times honored in this way and 'twould
seem invidious to make distinctions; but 'twas
the cheerful verdict of every one present that
when formulating the Society's calendar, that
the day at Sardis will be found high up among
the Red Letters. Any locality may well think
itself fortunate in the possession of citizens
like unto Dr. Adamson and his charming wife;
and this was embodied in a rising vote of
thanks by the visiting members, embracing
Drs. Davis, Mayslick, Hunter, Washington;
Ellis, Adamson, Browning, Pickett, Samuel,
Taulbee, Jr., Brand and Yazell, Maysville;
Cook, Wedonia; Huddleson, Germantown; Wood
and Neal Mt. Olivet and Marshall, Sardis.

The menu was chosen with special reference
to physical needs, including THE LEDGER'S
"yaller-legged chicken," which materialized in
overwhelming quantity and irresistible style;
and the perfection of drink was symbolized in
Bluebird water which flowed freely and un-
mixed, as became the occasion and participants.
The essays were by Drs. A. N. Ellis and A. G.
Browning of this city, and the ensuing discus-
sions were latitudinous, but strictly within
lines short of license, and with Bluebird re-
morselessly defining the border.

Further, this deponent saith not, save that
after a holiday during the hot months the next
regular meeting will be held in Maysville, Wed-
nesday, September 30th, when Drs. Samuel and
Yazell will read papers, and the Maysville
doctors will entertain their entertainers in be-
coming style, or ever after hold their peace.
And every disciple in their reach will be ex-
pected, or show cause why sentence of death
shouldn't be passed upon him, or what is an
equivalent—be compelled to take his own
physic. A SURVIVOR.

MISS ROSE OWENS,
No. 720 Seventeenth St., WASHINGTON, D. C.

"If every suffering woman
has the same experience with
Wine of Cardui that I had,
your medicine will be most
popular. About a year ago
I began to have a worn out
feeling with lassitude,
pains in the back and head
which kept increasing every
month. I felt that I needed
something, but to get the
right medicine was the trou-
ble. I finally decided on
your Wine of Cardui and only needed to
take three bottles when I was fully re-
covered."
If you are a suffering wo-
man we would say to you
that Wine of Cardui seldom
fails to completely cure any
case of female ills. We say
emphatically, it never fails
to benefit. Every day hun-
dreds of sufferers are writing
to our Ladies' Advisory De-
partment. The letters are
opened by persons compe-
tent to give advice. Mrs.
Jones was cured by follow-
ing the advice which was freely given
her by the Ladies' Advisory De-
partment. Miss Owens was cured without
advice by just buying a \$1.00 bottle of
Wine of Cardui from her druggist and
taking this great medicine in the pri-
vacy of her home. No doctor's ex-
amination, treatment or advice is nec-
essary. You have read what these two
cured women have written. Is this not
enough to lead you to determine to be
rid of suffering?
August 13, 1900, Mrs. W. H. Jones,
of Cameron, Mo., writes:
"I suffered terribly at monthly periods
for three years. I would sometimes go for
seven months with no flow at all. Now
I have my health back again and am
expecting to be confined in January. I
cannot praise your medicine enough."

WINE of CARDUI A million suffering women
have found relief in

Buckeye Kernels for the Trust to Crack!

But It Will Require a Good Nut Cracker!
And That Is Something That They Don't Happen to Have!
All over the land contented farmers are singing Minnie's
praises. Contented, because they spent \$1 for twine every time
their neighbors spent \$3; contented, because they will make bread
out of short, thin wheat that their neighbors left on the ground
for fowls to eat.

RIPLEY, O., June 25th, 1903.
The Minnie Harvester Co., St. Paul, Minn.—Gentlemen: I
bought one of your Minnie Grass Twine Binders and have cut over
twenty acres with it since it was started. I have not had the least
trouble with it, missed no bundles, used both the Grass Twine and
the Sisal Twine, bound a good, nice bundle tight with both far better
than I expected, cut my heavy six foot rye and short eight inches
high wheat, which on the same ground no other binder would pick
up. The binder never choked, as it is impossible to do so. I drove
the binder on all kinds of hilly and level ground with Master wheel
up hill and down hill and never had any trouble. Three horses can
pull the machine anywhere easily. It has the lightest draft of any
binder I have tried or seen, and I have been a farmer all my life.
The cost of binding my grain by using the Minnie Grass Twine cost
me less than 7 cts. per acre, which alone ought to convince every
farmer to buy the Minnie. The Trust Machine Agents all told me
that in buying a Minnie Grass Twine Binder I would get a way
back out of date machine, but have found out that I have a machine
that is five years ahead of any other binder made and I do not propose
to work hard for the Trust's gain and interests. I can use the cheap-
est twine made on my binder, and feel it my duty to state that the
Minnie is far better constructed, lighter draft, no neck weight and
its work is far beyond what I expected it would do when I bought it.
It is stronger made, does better work, is a horseless sower and what
is more a big money saver. I cannot recommend it too highly to all
my friends and fellow farmers, and I mean just what I state and will
gladly have any one communicate with me in regard to the Minnie
Grass Twine Binder. Yours very truly, CHRIS. HELBING.

To Whom It May Concern: I this day started my Minnie
Binder I purchased of Germann Bros. I felt it my duty to say to
you and the public it is the best binder I ever saw in my life. It cuts
and binds every bundle and discharges the bundle without strain on
machine. The non-chokable attachment is a remarkable feature on

the wonderful Minnie. I am prepared to say to my farmer friends
that the Minnie is just what it was recommended to be. I would say
it is the lightest draft binder today on the market. I am using it
with three horses successfully. I am proud of my Minnie Binder
and wish the Minnie Harvester Co. success in their future busi-
ness, as the Minnie is the only successful trust binder today
on the market. It places the farmer in the sunny part of his har-
vest.
JOHN W. PORTER.

RIPLEY, OHIO, June 23, 1903.
The Minnie Harvester Co., St. Paul, Minn.—Gentlemen: I
bought one of your Minnie Grass Twine Binders and started it in
heavy wheat on rolling ground, and after adjusting same did not
miss a bundle. It bound nice bundles tight, cut with two horses, and
must say in accepting this binder I am satisfied that I have one of
the best and lightest draft binders made, and will heartily recom-
mend same to all farmers, as it does the work in first-class shape.
It runs on rough land, has light draft and is a great money saver. I
most heartily recommend the Minnie Grass Twine Binder to all my
fellow farmers. Yours truly,
JOE SHEPHERD.

To Whom it May Concern: I have a Minnie Grass Twine
Binder bought of Germann Bros. Although limited in farm expe-
rience I can safely say that this machine cut a wheat field for me
that no other binder has ever cut, and bound wheat with Grass and
Sisal twine and also common cord twine, and cut a hillside that we
don't consider safe to go on with a wagon. We also cut this hillside
with the grain wheel down and up hill when the wheels stood directly
opposite one another. They stood about an angle of 45 degrees.
I consider this machine a safe investment for any farmer, and I also
consider it a first class machine beyond any doubt. Respectfully,
A. T. SHOLTER.

The Tidal Wave of Minnie's Popularity Sweeps the Earth

AIR FOR FUEL

Was your attention ever called to the fact that the
burners of a good Gas Range, such as the Detroit Jewel,
sold by the Gas Company, mixes and consumes for
your use in cooking gas and air in the proportion of

1-8 GAS
7-8 AIR

Over twenty Gas Ranges installed during the
month of May—sold faster than they could be connected
up—and every purchaser delighted.

GAS RANGES!

AT ACTUAL COST!

The Gas Company, if so desired, will make a written agreement with
any purchaser of a Gas Range during the month of June to the following effect,
to wit: That if said purchaser on the 1st day of August shall come to the Com-
pany and say that they are dissatisfied with the use of their Range, that it will
not do their work as represented, or that the cost of using same is too great for
them to afford to continue its use, then, in that event, the Gas Company will
take the Range off their hands and refund any money paid upon its purchase-
price. See the Gas Company or Larry Langefels and learn the liberal terms
upon which these Ranges are sold. You cannot afford to be without one.

Comfort
for Stock

Stock which escapes the annoying
attacks of flies and insects is the most
thrifty. Next to disease, these pests
harm more than anything else. No
form of insect life can possibly annoy
stock which has been sprayed with

Fly Killer
Oil.

It is certain protection. We know
of nothing that can be relied on more
thoroughly. Its use keeps stock com-
fortable and healthy. Is perfectly
harmless—does not injure hair or
skin.

Price,
\$1 Per Gallon.

THE SPRAYERS which we sup-
ply are simple in construction, cannot
get out of order and are low in price.
They are the best for spraying stock,

WEAK, IRREGULAR,
PAINFUL HEARTS

Sometimes the heart grows irregular
—is the seat of pain and pressure. Peo-
ple are apt to think it due to some organ-
ic or structural disease of that organ,
when the cause is comparatively simple
—a weakened motor power—a trouble
wholly due to the nervous system, per-
haps aggravated by a nervous dyspep-
sia. Put the nervous system right—give
it strength and tone—supply through its
medium the heart with power and the
stomach with digestive juices and the
trouble fades like snow in a summer
sun. It is for this wonderful power Dr.
A. W. Chase's Nerve Pills are world fa-
mous.

Mr. Thomas Maher of No. 212 Lee
street, Maysville, Ky., says—
"I have been a sufferer for some time
from heart failure and acute nervous in-
digestion. Hearing of Dr. A. W. Chase's
Nerve Pills I got a box at Chenoweth's
Drugstore and now I am pleased to say
the pains in that region of the heart have
disappeared completely—its action is
strong and regular and appetite is fine.
I can recommend this medicine very
highly as safe, reliable and certain in
such affections."

A. H. Thurnes, Mgr. Willis Creek Coal Co., Buffalo, O., writes:
"I have been afflicted with kidney and bladder trouble for years, pass-
ing gravel or stones with excruciating pains. Other medicines only
gave relief. After taking FOLEY'S KIDNEY CURE the result was
surprising. A few doses started the brick dust, like fine stones, etc.,
and now I have no pain across my kidneys and I feel like a new man.
FOLEY'S KIDNEY CURE has done me \$1,000 worth of good."

CLOTHING
TALK! s s s s

There is something about the Hat, Schaffner & Marx Cloth-
ing which you may identify them even more certainly than the label. It goes
into them before the label. It is a style, a quality, a tailored-by-hand touch
to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about
them never found in other clothing. The fact that we can't define it doesn't
make it any less real. You can see it without fully realizing what it is. We
can't show it or tell you fully about it until you wear the clothes. Then we
won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite in-
spection and comparison of both goods and prices.

OUR MERCHANT-TAILORING DEPARTMENT, under the supervi-
sion of Mr. Charles F. McNamara, is the only one in the city paying Union
prices and having all work done at home. Ask to see one of our made-
measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.

LINENS at PRICES RARELY FOUND

Match the REGULAR Hunt prices on Linens and you've found a bargain. Secure such reductions on them, as announced below, and you've saved enough money to make you happy. June's a lucky month for linen buying, if you share these offerings.

SILKS AT A FRACTION OF VALUE.

Time for wearing silks is always with us. Time for buying them is now. Silks that are the admiration of every woman who sees them, as much, if not more, for the patterns included than for the price. Details brief but to the point. 50c silks 29c; 75c silks 50c; \$1 silks 75c; \$1.25 silks 75c; \$1.50, \$1.75 silks \$1.

UMBRELLAS.

Don't blame your umbrella if it has grown weary of well doing—and you need a new one in consequence. Here are good ones for all-round day-in and day-out service, at prices much depressed. \$1.25 umbrellas for 89c—For men and women. Union Taffata of good quality, natural wood or fancy handles. \$3 umbrellas \$1.39—Rich, black taffata, with border in self color. Handles of every sort. 26 and 28 inches.

SUMMER NECKWEAR 25c.

Twenty-five cents will go a long way in our Removal Sale to provide women with pretty neck pieces to go with their summer frocks. Some handsome stocks in both silk and wash materials, with and without the bishop tabs. In top collars 25c buys values that have been 50c and 75c. Some are single pieces, of others there are more.

WOMEN'S STOCKINGS.

In squeezing prices on hosiery, we squeeze out the cheapness first and stop when we come to the quality. So these stockings are all quality—the best possible, and prices, thanks to the Removal Sale, are what you'd pay otherwheres for inferior grades—if you didn't know better. Exquisite lisle, drop stitch and all-over, black stockings, elastic tops, narrowed ankles, the kind that fit, 19c formerly 25c. The sturdiest, firmly woven, fast black stocking on the market for 10c, formerly 15c.

\$1 SILK GLOVES 50c.

Of course you wonder how we do it. Hand-some, pure silk, double tipped, genuine Kayser gloves, in elbow length too, solid or lace arm, black or white. Every pair this season's. Honest dollar gloves for 50c. Are a genuine surprise, unless you've been buying at the Removal Sale—then you know big values and little prices are an every day occurrence, here.

Table Linen.

75c a yard, from \$1. Snow white, Irish double damask, two yards wide. Six handsome patterns in both large and small designs.

Towels.

12½ c from 19c. Bleached Scotch Huckaback, hemmed and washed ready for use.

To give as many as possible the benefit of this bargain we won't sell more than six to one customer. Sold only in pairs.

Napkins.

Our silver bleached \$1.39 Flemish Napkins for \$1. These are a special value at \$1.39, regular \$1.50 value.

The \$1.25 Napkins sold for one dollar earlier in the Removal Sale are all gone and repeated inquiries for a dollar Napkin prompted this rare offering. Tell your friends.

Fancy Lines.

12-inch Doilies, pure linen with Mont Mellick embroidery, firmly scalloped edge. Pretty, serviceable, useful and inexpensive. 48c.

THESE WASH GOODS

Are priced vastly below their proper worth. But it means a quick riddance and that's what we want. It also means the daintiest, prettiest summer frocks and shirt waists for you, at the littlest price. Three attractive groups, all 39c thanks to the Removal Sale. French Madras—39c yd. Handsomely mercerized, light, medium and heavy weight. Imported. Original prices 50c to 75c. White Oxford Etamines—39c yd. Superior quality in charming weaves. Very smart for shirt waist suits, separate skirts and waists. 39c formerly 50c, 59c, 65c. Colored Etamines—39c yd. Solid shades and exquisite color plays in stripes on white. Best quality, cool summer weight. Have been 50c to 75c.

HANDKERCHIEFS.

Double distilled economies for they're reductions from our own regular prices, which are in themselves money-savers. The Removal Sale puts pure linen handkerchiefs in your pocket or chiffonier, at the smallest cost known. All the handkerchiefs are pure linen, all are perfect in every way—we never buy "seconds." For Women—80c for half dozen—were 20c each. Embroidered or lace edge. 50c for half dozen—were 12½c each. Plain hand-drawn hemstitched, in ¼ or ½ inch hems. For Men—80c for half dozen—were 20c each. Plain hand-drawn hemstitched, medium or narrow hem. For Children—A few, pure linen, colored borders, some embroidered. 5c, have been 25c.

PRETTINESS IN LACE CURTAINS.

Coupled with goodness at a trifling cost. New curtains at prices so amazingly low, it's not difficult to know why the Big Removal Sale has been such a gigantic success—for curtains are only one part of this immense movement. Don't come looking for cheap curtains, we haven't any. This is a range of curtain goodness for people of taste and discrimination. \$1 to \$4 for curtains worth \$1½ to \$6½.

LACE CURTAIN SAMPLES—One and one-half yards long, beautiful patterns. For sash curtains and doors. Without a personal investigation you can't appreciate how much value these pretty laces represent for 10c. We sold their predecessors for 25c.

SATINS—UNDER PRICE.

We might well keep that head line standing in type, for there's a new story at our silk counter every day. You are giving us your favor to an extent, we think no store ever enjoyed in Maysville. That we deserve it, goes without saying. In mercantile matters your favor is only granted to merit, of course. Well, we've deserved it for fifty-one years and we'll continue to deserve it. As proof—today we make it possible to buy handsome 75c Satins for 35c. In these colors—all pretty for the fashionable piping, for underslips, for dress and shirt waists. Cardinal, gray, cerisette, pink, baby blue, navy, cream, black.

EMBROIDERIES.

The counters are not half big enough to accommodate either the goods or the shoppers who come for the splendid embroideries at half price and less. Quite natural too, for never has such a choice of the season's prettiest patterns been offered so cheap. Among the lots that still afford excellent selection are these two—besides countless others that have dwindled to a point where it's not safe to mention them. For 3½c yard. Insertions and edges on fine Nainsook, ¼ to 1½ inches wide. Have been 5c, 6½c, 7c. Some are soiled but there is no real hurt. For 9c. Hand-some Swiss and Nainsook edges and insertings 2 to 4 inches. Mostly the close patterns so much liked. Three qualities in the lot—10c, 12½c, 15c. A basket full of embroidery remnants from which to choose, for a trifle.

HAPPY RESULTS.

Have Made Many Maysville Residents Enthusiastic.

No wonder scores of Maysville citizens grow enthusiastic. It is enough to make anyone happy to find relief after years of suffering. Public statements like the following are but truthful representations of the daily work done in Maysville by Doan's Kidney Pills.

Mr. W. H. Paul of Market street near Third says:

"I procured Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and one box cured me of pains in my back and other evidences of a disordered condition of the kidneys that had given me much trouble for two years or more. This statement of fact is the strongest endorsement Doan's Kidney Pills could have as to their wonderful value."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.
